

Options for Obtaining Thyrogen[®] (thyrotropin alfa for injection) **If Buy and Bill Required**

Buy and bill is when a health insurance plan requires a health care provider to purchase and bill for Thyrogen in order to be reimbursed.

The Thyrogen Specialty Pharmacy Network is a group of specialty pharmacies that have been selected to dispense Thyrogen and to provide Thyrogen coverage, reimbursement support and distribution services to health care providers and patients. You will be able to purchase Thyrogen through the Thyrogen Specialty Pharmacy Network if you are required to buy and bill.

The Thyrogen Specialty Pharmacy Network is made up of the following pharmacies that will be able to assist you with ordering Thyrogen if you are required to buy and bill:
